

Professor Clive Ballard

Pro Vice Chancellor and Executive Dean,
University of Exeter Medical School

“Dementia: Prevention, Treatment and Care”

The presentation will review the up-to-date evidence from clinical trials focussing on prevention, symptomatic treatment and disease modification of Alzheimer’s disease and related conditions. Emerging findings from our own studies will also be presented, including studies examining the maintenance of cognitive function, our on-line PROTECT platform, work focussing on the treatment of agitation, psychosis and pain in people with dementia and new work examining human grade stem cell therapies.

Date: Wed 26 April 2017 (with video link to F083, Knowledge Spa)

Time: 13:00-14:00

Venue: NC12 North Cloisters, St Luke’s Campus

Email: j.l.choules@exeter.ac.uk to book your place.
