

Qualitative Research Forum: Frontiers, Peripheries and Boundaries: Qualitative Research, PPIE, and Peer Research - Learning and Networking Event

About this Event

This is a free in-person and online event focused on sharing research and learning around distinctions between qualitative research, PPIE and peer research. We will be sharing examples and exploring the similarities and differences between the co-design and production of research and interventions, and patient and public involvement and engagement.

The eleventh event is taking place **on 21st September 2023, 9:00-13:30 at Reed Hall, Exeter.**

Speakers will include:

Dr Jo Langley – Principal Research Fellow, Lab4Living, Sheffield Hallam University.

Dr Linda Birt – Senior Research Associate, School of Health Sciences, University of East Anglia.

Dr Conny Guell – Senior Lecturer, European Centre for Environment and Human Health, University of Exeter.

Please register for the event here: [QRF Symposium Registration](#).

Please note that these events are only open to members of staff and students at the University of Exeter.
