

## Application guidance for external students

The University of Exeter welcomes applications from medical, veterinary and dental students who have completed at least two years of their course (240 credits CATS; 120 credits ECTS) for Bachelors level study or three years (360 credits CATS; 180 credits ECTS) for applications to Master's level programmes. Students must have permission to undertake an intercalated degree from their home institution and will return to their home institution upon completion of the intercalated degree course.

All applications are considered individually on merit. The University is committed to an equal opportunities policy with respect to gender, age, race, sexual orientation and/or disability when dealing with applications. It is also committed to widening access to higher education to students from a diverse range of backgrounds and experience.

Candidates must satisfy the [general admissions requirements](#) of the University of Exeter. Candidates may be interviewed.

Intercalated programmes are only available to selected students following a medical degree at the University of Exeter Medical School or another appropriate medical, veterinary or dental school and who are taking an intercalating year during their programme of study (see University Regulations Governing Honours Degrees, Regulation 1.2, Section 5). Admission to the programme is by agreement between the University of Exeter Medical School or other institution, the Head of the relevant academic department and the University of Exeter.

### Immigration and visa information

The [International Student Support Office](#) can provide advice to you, free of charge without discrimination, on any UK immigration and visa matters you may need help with.

Visit their webpages on [immigration and applying for your visa](#)

The final decision on admissions rests with the course convenor or principal investigators offering the research project. Students may be interviewed in the course of the application process.

To apply please email the following (pdf preferred) to [ICD@exeter.ac.uk](mailto:ICD@exeter.ac.uk) by **1<sup>st</sup> March** each year

- A signed copy of the application form below
- A personal statement of up to 500 words outlining your motivation to intercalate in the selected course(s)
- Your academic transcript from the current and prior academic year and, if available, your current class ranking.
- A letter from your home University confirming that you are currently in good academic standing and have permission to intercalate at an external institution.

*Applications will still be taken after the closing date but this may result in limited course, module, and research project choice.*

## Application for an intercalated degree – External student

### Programme(s) that you would like to be considered for (select at least one):

First choice:	
Second choice:	
Third Choice:	

### Personal Details:

Names (First, last):		Date of Birth:	1/6/2020
Title:		Current fee status:
