## “Transforming patient-reported outcome assessment: the role of adaptive tests and tailored feedback”

This talk will demonstrate how the application of cutting-edge psychometric methods can transform PROMs from lengthy paper-based questionnaires to efficient computer-administered assessments which can intelligently target questions and instantaneously provide meaningful feedback for both patients and clinicians.

Date: 6 April 2016 plus videoconferencing to Knowledge Spa

Time: 13:00-14:00

Venue: Room JS07, Smeall Building, St Luke's Campus

Join us afterwards for our informal monthly APEX meeting: updates on progress in APEX and networking (refreshments will be served).

**Email: [j.l.choules@exeter.ac.uk](mailto:j.l.choules@exeter.ac.uk) to book your place.**
