

Professor John Campbell

Professor of General Practice & Primary
Care, UEMS; Director of APEX

“Calling time on the consultation ”

There is currently not enough evidence to say whether altering the amount of time that doctors consult with patients provides benefits or not. We consider the findings of four recent research papers exploring the impact of variation in consultation length.

Date: Wed 24 May 2017 (video link to F083, Knowledge Spa) pa)

Time: 13:00-14:00

Venue: Room JS07, Smeall Building, St Luke's Campus

Join us afterwards for our informal monthly APEX meeting: updates on progress in APEX and networking (refreshments will be served).

Email: j.l.choules@exeter.ac.uk to book your place.
